Linda

No, one can ever be as sweet as you are. I will never forget the enjoyable experience we have found. Best of luck to a nice sweet swell girl. You have a tallent that no one can ever take away from you. You have a great personality, like no one else. I will never forget you. I have enjoyed going to school with you since the fourth grade. Stay like you are and you will be the best. Seriously best of luck to a great friend.

Love Judy

Linda,
You're a real sweet gal, stay that way. I know you will. Best wishes always!
Love ya,
Kee M.

Linda -
You're a real sweet girl and I look forward to being in high school with you next year. You make a marvelous big (?) sister & best friend. I hope you get every-thing you want out of life.
Love loads -
Deanie
S.

Linda,
It has been fun going to school with you all these years even if I haven't really been close to you. Best of luck to a real sweet girl
Love Ya,
Brenda

Linda -
Ain't much room left in here for me to write - darnit - But anyway, Linda, you're one of the sweetest and friendliest (what a way to spell) girls I've ever met! Guess you even were better 'cause you found "him" than just like I did. I know more about anyone else - what he means to you.
Love & friendship from me
forever,
Sandra

THE HORNET

1965

D. Killgore

The 1965 HORNET has been designed to portray in words and pictures our life at Rochelle this year. In its pages we have tried to capture the progress of our school and the highlights of student activity. You'll find pictures of drudgery and hard work, play and excitement, success and some failure; but after all, it is a combination of these things that have made up our year. We hope that twenty-five years from now, you will smile at the remembrances that return each time this book is opened.

To record this year, several changes have been made in the book itself. It has more pages and color work than previous Rochelle yearbooks. The organizations' section has been revised. Pictures and copy pertaining to the organizations' activities have also been included.

The hornet, which you will find throughout the book, symbolizes the spirit of accomplishment which centers itself in the present, reaches from the past, and points to the future. It is your guide to the memories of this year...its laughter, its tears, its joys, its sorrows, its adventures; moments of exuberant happiness and those of deepest despair. Follow the hornets as they arch their way through two semesters... the story of the 1964-65 Rochelle Student Body.

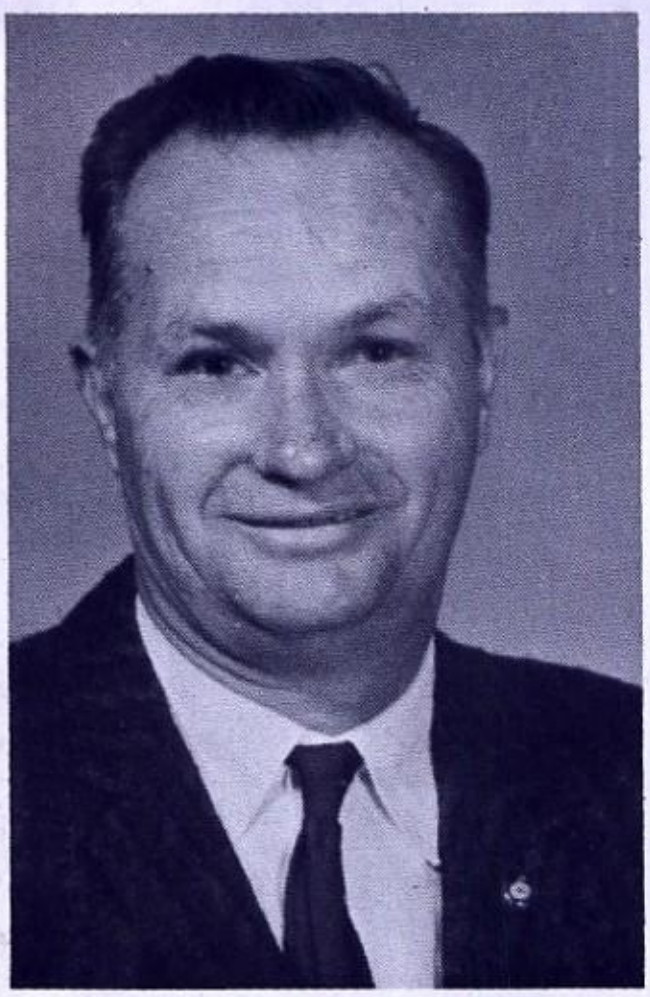
Dedication

We, the Seniors of 1965, who are about to pass forever from the land of high school students; thank you for all that you have done for us during the two years that we have been in your class. We pause near the end of our high school days to say, "Thank you!"



Mr. Thompson, Superintendent
B. S. & M. Ed. -Hardin Simmons
Graduate Work-Uni. of Texas

As the years go by, and you recall your school days by turning through the pages of this annual, it is my hope that you will think of this year as your best ever.

May your memories be pleasant and your recollections co-mingled with a feeling of respect, honor, and loyalty to your school.

Set for yourself a desirable goal and endeavor to strive until you have attained this goal.

Our best and fondest hopes for your success go with you into life.

Linda
Best of Luck
to a real neat
Senior to be.
Love,
Linda

Dear Linda,

I suppose that you know that our friendship has always touched and meant everything to me. Of course, I've always been a little touched. I hope that it can always be "friends" even though next year will end our school days together. Let's make the most of it. We've had some real blasts, haven't we, Lucy? I'm very glad that you like the BEATLES, and I'm glad that you like Russell, too. He's a dear boy; although, he has a bit of a temper. Seriously, (me?) I want to wish you all of the success and happiness you deserve. I'm sure that things will turn out fine. I wish someone would love me like that. (sob) Here's hoping that you'll be the "one in the middle" at the football games next year. Let's not talk about that. Have lots of fun and do lots of things this summer, you will anyway.

Love always,
Jean

Linda
Best of luck

[I would hate to break the mood]

Dear Linda,

To a very sweet and cute girl. I wish you loads of luck in the future. Keep your wonderful personality and you'll go far in life.

Always,

Sue

JRS. 64-65

Dear Linda -

I guess this will all sound corny, but anyone not interested doesn't have to read it, right? Right.

You can't imagine what a louse I felt like when I read what you wrote in my annual. Linda, I honestly don't know how we are such good friends! I can't see how I deserve the friendship of someone as truly wonderful as you are. I mean that! You seem to have a "thing" for deciding you like a person, and then you forgive and forget, no matter what! However, whatever the reason, I know we are friends - as close as true friends can be. I know you'll go on being my friend, no doubt, overlooking all the stupid and certainly not friend-like things I do - that's just you! But I guess dumb scatterbrains like me have to have someone to look after us! (What am I gonna do when we leave old RHS ?!)

And talk about fun! We have had some interesting experiences - (I won't mention any particular ones - OK?) Let's keep on having them until we must stop - OK? Man - we are gonna give RHS a while next year, aren't we? But seriously, we must make our last year a good, profitable year. Right? Right!

Linda - no matter what everyone thinks, you know that I want to wish you and Russell every happiness life can offer. I sincerely hope God means for you to be together always. I hope it works out Sometimes it doesn't - I know. But I think I know you well enough to know your feelings. So - best wishes!

In an article I read the other day, the following was written:
"True communication begins when we not only accept the other person, but accept him with delight - despite his faults and frailties. At such moments, life is at its best."

I think that is entirely true. God Bless You, Linda.

Love always -
Jan
